

ATTENTION ALL CHRISTMAS SHOPPERS!

If you're shopping for Christmas or even grabbing a bargain on the Black Friday sales, do you know that you can help raise funds for LOGIC when you shop online? LOGIC has signed up to a fundraising website so we can raise money every time you shop – we'd love it if you could help us!

There are over 2,700 well known retailers like Amazon, Argos, M&S, eBay (any many many more). Whenever you buy something online, the retailer donates to your chosen worthy cause and the best part is, it doesn't cost you a single penny extra.

There are no catches and it's completely free to use. All you have to do is register online via www.easyfundraising.org.uk and support 'The LOGIC Café – Moira' as your good cause. Once you have registered you simply search for a retailer (e.g. Amazon), easyfundraising then direct you to the retailer's website and you process your transaction as you normally would. LOGIC then receives a donation usually between 0.5% and 4.5% (depending on the retailer) from every purchase you make.

Every single time you go to shop online, search for the store on easyfundraising.org.uk and start shopping and LOGIC will benefit directly from every purchase you make! You can even download the easyfundraising app for android and apple devices which makes the process even quicker.

If you have already registered with easyfundraising and are already supporting LOGIC in this way, then THANK YOU SO MUCH! Every penny raised goes directly to funding our programme and directly benefits the young people of Moira.
